

## Ohio Educational Choice Scholarship (EdChoice) Program Designated Public Schools

The following is a list of schools that have been in academic emergency or academic watch for two out of the past three school years (2005-2006, 2006-2007 and 2007-2008) and are therefore designated for the EdChoice scholarship program.

The following students are eligible to apply for an EdChoice scholarship:

- Students currently enrolled in and attending EdChoice-designated public school buildings – schools rated in academic emergency or academic watch for two of the past three years;
- Students enrolled in a community school who would otherwise be assigned to one of the EdChoice-designated public school buildings, or;
- Students currently enrolled in a regular public school or community school who would be assigned to attend one of the EdChoice-designated public school buildings for the upcoming school year. This provision is for students moving from one level of school to the next. For example, public school students moving from elementary to middle school would be eligible to apply if the middle school that they would be assigned to in the fall is designated for EdChoice;
- Students eligible to enter kindergarten in the next school year who would be assigned to one of the EdChoice public school buildings.

**Please Note:** Students attending a private school during the 2008-2009 school year, and home-schooled students are not eligible for an Ohio EdChoice Scholarship.
